To Whom It May Concern:

Alison Livas is a student enrolled in good standing at Columbia College Hollywood. Alison is currently taking a course where students must shoot their own projects. As the VP of Student Affairs, I can attest that she is well trained in both production and safety techniques, as well as having a deep level of respect for actors and crew on a set.

The College does cover $2 million in damage and liability, save a $1,000 deductible, which is the responsibility of the individual students, should the need arise. Per the guidelines of our College, this project is not being made for commercial profit of any kind, and as is the case with many student films, the project is being shot on a no-frills budget. Therefore, we hope you can give Alison any aid possible.

If you need further verification, please do not hesitate to contact me directly a kparker@columbiacollege.edu

Sincerely,

Kelly Parker
VP, Student Affairs
